Enjoy your ceramic BBQ & oven even more thanks to these BBQ accessories.

BergHOFF®

The pizza stone guarantees the crispiest pizzas as it absorbs moisture while cooking. It's also ideal for baking bread and other delicacies.

The plate setter and its elevator rack allow you to cook with indirect heat. They turn your grill into an oven and enable indirect cooking and smoking.

Extend your grill's cooking area with this stainless steel grill expander. It's perfect to prepare tender food such as fish or seafood and delicate vegetables.
